The *Farewell Mr. Clinton* version of

## **Happy Days Are Here Again**

(melody by Milton Ager and Jack Yellen, 1929)

now known as

## **Happy Days "Were" Here Again**

(when Bill was on the Hill!)

It **was** so long sad times!,  
It **was** go 'long bad times!,  
We **were** rid of you at last  
Howdy, gay times!  
Cloudy gray times,  
You **were** a thing  
Of the past, cause:

Chorus:

Happy days **were** here again  
The skies above **were**  
clear again  
We **sang** a song of  
cheer again  
Happy days **were**  
here again

Altogether shout it now!

There's no one who  
can doubt it now  
So let's tell the world about it now  
Happy days **were** here again

Your cares and troubles **were** gone;  
There **may be more** from now on  
Happy days were **here** again  
The skies above **were** clear again

We **sang** a song of cheer again

Happy days **were** here again

(When Bill was on the Hill!)
